Dear Sir/madam

RE: CONTRIBUTION TOWARDS

We confirm that (CONTRIBUTING ORGANISATION) donated (AMOUNT) to (RECIPIENT) on (DATE).

Based on the definition provided in the Broad-Based Black Economic Empowerment Act 53 of 2003 and the Amended Codes of Good Practice on Black Economic Empowerment, issued in terms of section 9(1) of the B-BBEE Act of 2003, black people are defined as:

“African, coloured or Indian persons who are South African citizens by birth or by descent or who were naturalized prior to the commencement of the interim constitution in 1993”. Also, it “includes black people who became South African citizens after the constitution’s commencement but who would have been able to be naturalised prior to this, were it not for Apartheid laws which prohibited naturalisation of certain persons.”

We confirm that in excess of **75%** of the value donated to (RECIPIENT) by (CONTRIBUTING ORGANISATION) was used for the sustainable economic development of “black” people who meet the above definition of “black” persons as per above.

Yours faithfully
